

## School is underway!

These past few months have been challenging for everyone, and we hope that you are all safe and healthy amid the COVID-19 pandemic. We wanted to take this time to remind you that school is starting for children throughout Erie County attending pre-K through grade 12. Here's what you should be sure to do if you have school-aged children!

## Reach out to your school district

The new school year is underway for districts throughout Erie County. And as a parent/caregiver, you are responsible for making sure your child is properly registered to attend school.

## Be There

Virtual does **not** mean optional.

No matter at home or physically in the school building, your child must attend school. Tardy minutes count and regular attendance and truancy policies are in effect.

## Share this information with a friend

We want to make sure all families in Erie County are familiar with what they need to do to make sure their children are prepared for school this year.

Consider sharing the above messages and this email with someone you know. Sharing is caring!
