UNITED WAY OF ERIE COUNTY WOMEN IN ACTION

United Way of Erie County *Women In Action* (WIA) connects the economic power and philanthropic influence of Erie County's women to strengthen our community.

We learn about the issues and interests of women. We help form new partnerships and friendships with other women leaders. We provide educational, networking, community service and philanthropic events. And most importantly, we serve as an example to the next generation of philanthropists and volunteers, teaching them the importance of giving back to the community.

Our Mission: To address critical needs and improve lives of Erie County's women.

FOR THE MOST VULNERABLE IN OUR COMMUNITY

In the year ahead, WIA will continue to raise money that will support agencies working to prevent and protect Erie County's women from domestic violence. Through a fair, open process, any 501(c)3 organization in Erie County may submit a Request for Proposal (RFP) to apply for funds.

Proposals will be received in October 2009. Review of proposals and funding decisions will be made in December 2009. Grants will be awarded in January 2010. The amount available is dependent on the amount contributed by YOU, a caring community investor.

Erie DAWN, House of Healing, Mercy Center for Women and Sisters of St. Joseph provide a multi-faceted approach by providing the resources and tools necessary to break the cycle of domestic violence.

Unmasking the Faces of Domestic Violence, a joint campaign of SafeNet and Safe Horizons

This joint public awareness campaign is a preventative one, focused on increasing awareness to the general public.
