

UNITED WAY COMMUNITY SCHOOLS

11,169 STUDENTS • 17 SCHOOLS • 4 DISTRICTS

United Way Community Schools Model brings resources into the school to remove non-academic barriers that local low-income students face every day. Non-academic barriers range from basic needs, such as clothing, food, and school supplies, to mental and behavioral health challenges, to unmet vision and dental needs, to lack of family engagement—to name a few.

ABOUT THE MODEL!

“

I've seen student's basic needs being addressed along with the identification of and dismantling of barriers to their education. I think being a Community School is a valuable asset and our whole school community benefits from it. - Perry Elementary Teacher
