

GETTING HERE: PARKING INSTRUCTIONS

United Way of Erie County is now located at 650 East Avenue, Ste 200, Erie, PA 16503.

Our Phone number is still 814-456-2937.

Our parking lot is located on 7th Street, which is one way going West, so it must be accessed via East Avenue.

Once in our lot, you will notice our United Way logo in the middle of the parking lot, please feel free to park in any of these spots.

If there are orange cones in any available spots, please feel free to move these to the front of the spot and park in the available spot.

If all spots are filled, there is on-street parking (please pay attention to the parking signs). Parking is also available in the church lot located directly West of our building.

Once you have parked, you can enter the building through the front entrance (glass doors). Once you enter, follow the hall to the right (down the sloped floor) that will take you to our elevator which is to the left at the end of the hallway or the stairs which are right in front of you. We are located on the second floor.

You do have the option to take the elevator that is at the main entrance; if you take that, go to the second floor, then through the door in front of you, then proceed up the steps to our front door.

If you have any questions and there is no one at the front desk in the lobby, please call our office at 814-456-2937 and a staff will come and meet you.
