COATS & MORE *for* **KIDS**

Pfeiffer-Burleigh Elementary, a United Way Community School

As we all know, winter in Erie is often dark, cold, and wet for many (long) months. For students at Pfeiffer-Burleigh, winter is especially challenging as most of our students walk to/from school daily.

Having winter-wear that keeps students warm, safe, and dry is imperative to getting them to school and avoid unnecessary school absences.

We appreciate your generosity in helping us support our mission of removing barriers to student success!
