

United Way of Erie County is a local social impact organization on a mission to beat the cycle of poverty in our community.

Congrats on your new job!

Welcome to Living United!

You have found a great employer who believes in your community and gives you the opportunity to believe in it, too.

MISSION: CRUSH POVERTY

At United Way, we know that education is the key to ending poverty.

And when kids are well-fed, well-rested, and getting the support they need, they are far more likely to succeed in school. And, therefore in life.

That's why we're on a mission to remove barriers to learning, and to ensure families have the stability to achieve financial growth.

When you support United Way's mission, you are joining your new employer and thousands of other members of your community who want Erie County to grow and thrive. Together, we are strategically working towards large-scale change that lasts. Can we count you in?

Join us by asking your Employee Campaign Manager how you can support today!
